

FOR IMMEDIATE RELEASE

ProTech Services Alliance, USA Awarded \$1.5 Billion Program Management, Administrative, Operations, and Technical Support Services (PACTS II) DHS Contract

McLean, VA 1 March 2017 – ProTech Services Alliance, USA, a Service Disabled Veteran Owned Small Business (SDVOSB)-led Joint Venture (JV) was recently awarded a \$1.5 Billion Program Management, Administrative, Operations, and Technical Support Services (PACTS II) DHS Department-wide Contract. DWBH, LLC (DWBHCORP), the SDVOSB Managing Member of the four-member/company ProTech JV, along with an 11-company subcontractor team are poised to support the five-year, Indefinite-Delivery, Indefinite-Quantity (IDIQ) contract which provides DHS a Department-wide, strategically sourced, Indefinite Delivery, Indefinite Quantity contract for non-IT service solutions. ProTech JV is one of 18 companies who were awarded contracts on the Functional Task Area #2 (FC2) for administrative and operations services. The ProTech JV capabilities can be reviewed on their web portal: www.protechjv.com President/CEO of the Managing Member, Steven D. MacDonald stated: “the PACTS II award is a tremendous opportunity for our team, that includes many well-established companies who have worked together previously, to continue to provide best value services support to the DHS.” Period of performance on PACTS II began 1 March 2017.

About ProTech Services Alliance USA, LLC:

ProTech Services Alliance USA, LLC is an SDVOSB-led Joint Venture between DWBH, LLC (DWBHCORP); VISTA Technology Services, Inc.; Marathon TS; and The Kenific Group. DWBHCORP is a CVE-verified Service Disabled Veteran Owned Small Business (SDVOSB) and the Managing Member of the Joint Venture. The Joint Venture includes the four member companies highlighted above, and eleven other companies that are under a standard prime-subcontractor relationship on the team. This team includes leaders in their respective service areas, offering deep capability over a broad range of functional requirements. The ProTech JV team has recently executed over 100 DHS contracts and task orders, covering many DHS requirements under PACTS, TABSS, EAGLE and other related contracts.
